

# QUALITY POLICY MANUAL

## Cobra Seats Ltd

### ENVIRONMENTAL POLICY

Cobra Seats appreciates that it has a responsibility to protect the environment and to keep to a minimum, the environmental impact of its activities.

In partnership with its employees, customers and suppliers, Cobra Seats will endeavour to ensure the highest standards of environmental protection are activated appropriate to our activities and relevant to the context of the company.

Cobra Seats will act in a responsible manner in controlling the impact the activities we undertake have on the environment. It is expected that the aspects will change over time and accordingly Cobra is committed to continual improvement and prevention of pollution.

The setting and reviewing of environmental objectives, targets and the suitability of this Environmental Policy will be carried out at least annually during Management Review.

Cobra Seats supports the principle that in the area of environmental protection, prevention is better than cure.

1. This policy is to comply with or exceed all statutory requirements relating to environmental matters.
2. Cobra Seats seeks to develop and monitor its operational activities, taking into account any impacts on the environment.
3. Before implementation, Cobra Seats will assess the environmental impact of any significant new developments, co-operating fully with the relevant authorities during the planning and development stages.
4. Cobra Seats will endeavour to:
  - Ensure that all staff are aware of this statement of environment policy, and will provide suitable information and instructions to help improve their environmental awareness.
  - Avoid waste and recycle where possible.
  - Properly manage hazardous waste.
  - Work with contractors and suppliers to comply with all regulatory requirements in environmental related practices.
  - Protect the health of all staff, visitors, customers and neighbours
  - Respond promptly to instances of non-compliance.

This Environmental Policy is available to interested parties on request
