

QUALITY POLICY MANUAL

Cobra Seats Ltd

QUALITY POLICY

Cobra Seats is dedicated to a policy, which ensures that its services and products meet the requirements of its Customers, for quality, reliability, legislative compliance and safety at all times.

To fulfil this policy the Company has established sound working practices relevant to the context of the organisation, its strategic direction and the requirements of ISO 9001:2015.

The procedures described in the Quality Management System relate to all products manufactured and sold by the Company.

We are committed to the effective operation of the business, to ensure our ongoing capability to meet the needs and expectations of our Customers, and to achieve our aim of continual improvement of the Quality Management System, products and services that we provide. Measurable objectives will be set and reviewed for suitability along with the Quality Policy during management review to assist in retaining this focus.

The Managing Director has overall responsibility for ensuring that all personnel in the Company are fully aware of the Company's 'Quality Policy', their individual quality objectives, responsibilities and commitment to ISO 9001:2015.

This quality policy is available to interested parties on request.
